FLCC Course Syllabus

General Information

Date
10/05/2016

Department
Social Science

Course Prefix:
CDC

Course Number:
210

Course Title:
Field Experience Practicum I

Course Information

Credit Hours
4

Lecture Contact Hours
3

Other Contact Hours
10

Other Contact Hours Description
Over the duration of the semester students will complete 150 field hours in a treatment agency, at approximately 10 hours per week.

Catalog Description
One hundred and fifty hours of field experience will be spent in a rehabilitation or treatment facility for alcoholics or addicts. The student will enter the facility under terms laid down by said facility. The facility will provide direct supervision and the FLCC field coordinator indirect supervision for the student. In addition to discussing internship experiences, classroom topics will include evidence-based programs and counseling techniques, treatment planning, group skills, case presentation, and further experiential practice with evaluation and group skills.

Prerequisites
CDC 102 and CDC 103

Co-requisites
CDC 200 must be taken with or before the first field experience.

Grading Scheme
Letter Grade
This course can be taken more than once for credit

Yes

Capstone

Yes
